#### Notes/Comments (AAS degrees in Health Sciences Area of Study at LSC to BAAS in Applied Administration at UHD):

- (1) EDUC 1300 is required for First Time in College (FTIC) students only.
- (2) Many Workforce Programs (AAS degrees) at LSC require at least 15 hours of general education (core curriculum courses) to complete degree requirements. Students will also need to satisfy additional core curriculum requirements to become "core complete" to earn the Bachelor of Applied Arts and Sciences in Applied Administration at UHD. Student may be able to complete additional core courses at Lone Star College prior to transferring to UHD or during summer semesters. Students are strongly encouraged to consult with an advisor at UHD regarding maximum transferrable credit hours.

#### <u>Articulation Agreement Information – Standard and Program to Program (P2P)</u>

#### **Transfer of Credit & Student Benefits**
