

Research Guides

PERSONALLY, PROFESSIONALLY
CURATED FOR YOU

Research Guides

Our Research Guides are professionally curated guides with library resources, information literacy content, and citation assistance.

Your Teaching Needs

Research Guides can be created for an entire subject or a specific class.

- ✓ Technology
- ✓ Social Work
- ✓ Nursing
- ✓ Business
- ✓ Education
- ✓ Chemistry

Research Content in One Place

Help your students streamline their research by providing a one stop shop for their research needs.

Your Dedicated Subject Librarian

Each of our Librarians cover a dedicated set of subjects to provide you with individualized attention for your subject and course needs.

Updated with New Resources and Content

Your Librarian updates your research guide as resources and content change.

Collaborative and Connected

Providing expert guidance in research and content, our Librarians work with you, the content expert, to develop highly effective guides.

Discover your path to Research Guides today.

Find your Subject Librarian through our website or Ask-a-Librarian chat.
